Our Kids Have Happy Holidays

Snowflake Ball

How You Can Improve the ABLE Act

Thank You for Making the Holidays Bright!

Many of the families we support have to choose between purchasing vital medications, meals and keeping their homes heated. On their wish lists are items like socks, underwear and winter coats. Holiday gifts for their children are out of the question.

Every year, The Arc seeks to brighten the season by providing holiday gifts for children with disabilities and their siblings. **Thanks to our wonderful community partners we were once again able to brighten the holidays for these families.** A special thank you to [The Bowen Foundation](#), [Benkovich Orthodontics](#), [Liff, Meredith Wildberger & Brennan](#), [Liff & Walsh](#), [Creative Force Dance Center](#), LeCompte Construction, and the [Department of Housing and Community Development - CDA Finance](#) for their part in bringing smiles to the children's faces.

Members of our community day program, CONNECT, out shopping for gifts for families - thanks to our generous sponsors!
