

The Hake Trust

HAKE SOCIETY
LEAVING A LEGACY

The Hake family helped bring The Arc's Severn campus to life by designating The Arc Central Chesapeake Region as the remainder beneficiary of their son's Special Needs Trust.

They generously left \$800,000 to support The Arc's future growth and to continue to serve people with intellectual and developmental disabilities. This gift allowed The Arc to invest in the physical space needed to do our work, so we can better do our work.

Because of The Hake's generosity, The Arc is able to continue to meet the needs of the community by offering people a place to gather, learn, and receive critical counseling services.

You can name The Arc as a remainder beneficiary of the trust that manages your child's care. After their passing, all or a portion of what remains can be a gift to The Arc. The Arc's Severn campus and the opportunities it created are the Hake's legacy.

Just like The Hakes, you can ensure that The Arc is there to support other families' children for generations to come.

The Arc.
Central Chesapeake Region
