

Nancy Bauer

Nancy Bauer helped bring clarity and resources to countless families by designating The Arc as a remainder beneficiary of her life insurance policy.

With her \$18,000 bequest, The Arc was able to respond to a very real need in the community – supporting parents to advocate for their school-aged children, ensuring that kids have a strong foundation of support early in their life.

Nancy's legacy is Project Learn, a program that educates parents on the complex resources available through the school system, and Project Learn Academy, which empowers middle and high school students to take ownership of their services.

*You can name The Arc as a remainder beneficiary of an insurance policy.
Your long-term gift will support people with disabilities in your community for generations to come.*
